Dear Judge Irizarry,

We, Brooklyn Blend LLC, are writing to advise that while we have knowledge of this action, we have not been properly served.

We are therefore at a loss regarding the date by which we must answer.

Additionally, we have not yet been able to retain counsel, and may need to begin this action, pro se. The recipient of the summons is our former attorney, representing us in the establishment of the LLC. He advises that he will not be able to represent us in this matter.

We are uncertain as to whether a request for an extension is necessary at this time, or if we should still expect proper service.

We are therefore asking that the court advise next steps.

We appreciate the court's time and consideration.

Very truly yours,
